### **RS21201**

This legislation makes revisions to the Idaho Code 22-2802 through 22-2815. This section of Idaho Code deals with the Idaho Honey Advertising Commission. The legislation makes technical corrections, revises definitions and defines terms, revises duties of the commission, provides for rulemaking, adds a new section dealing with sampling and analysis, and includes penalties for violations and "stopsale, use, or removal" orders.

The purpose of this legislation is to prohibit the adulteration of honey produced by Idaho beekeepers. Other states have already placed in law similar legislation.

### **FISCAL NOTE**

There is no fiscal impact to the General Fund as all expenses and costs incurred in the administration of this chapter shall be paid out of the Idaho honey advertising fund.
